PRESIDENT'S CORNER

Although the season has passed and summer is here, there's still a lot going on in College Park. We have a meeting coming up at 6:00pm on June 11th at 157 Bryn Mawr to discuss everything in detail, but below are some highlights. The 6:00pm start time is an hour earlier than usual, but as you can see below we have a full agenda.

Next Meeting

Our meeting on June 11th should be an exciting one. We have the City Horticulturist Martin Cybulski coming to talk about landscaping. Since the past few months have been especially dry, we are asking Mr. Cybulski to include some information about drought tolerant species.

Another special addition to the agenda is a presentation from the developer of "The Commons at College Park" which will be located on the parcel of land on Dixie Hwy between Cornell and Dartmouth (previously the site of "The Patio" restaurant). If you have any questions or are just curious, make sure to attend.

Tropic Fest

The City's annual July 4th Tropic Fest is coming up. Every year several neighborhood associations and community organizations in the City of Lake Worth enter a boat race from Bryant Park. Last year College Park entered an "Animal House" themed boat using pontoons and powered using bicycles tied into propellers. This year we are looking for some new participants to provide the pedal-power, and we would love to have a big cheering section as well. This is always a signature event for the City, and we are glad to participate.

Web-site

The College Park Homeowner's Association has a new website. At www.collegeparklakeworth.com residents will be able to find information about upcoming events, as well as the history of our neighborhood, membership information, past newsletters and links to photo galleries of past events. The launch of our website also coincides with our launch of the CP_Neighbors email list. See the back page for more details. This site and email list will be a great tool for us to gather and distribute information for our neighborhood and community.

Sincerely,
Brent Whitfield

The June Meeting will be on
