PRESIDENT'S CORNER

Another summer has come and gone in College Park and the fall activities are soon upon us. We have a meeting coming up at 7:00 pm on October 4th at 157 Bryn Mawr to discuss everything in detail, but below are some highlights.

Next Meeting

This month's meeting will include two presentations concerning City affairs. The first will be from Drew Hacker who is a firefighter and the Union's District Vice-President for the City of Lake Worth. There has been recent talk about the City Fire Department merging with Palm Beach County Fire Rescue. Mr. Hacker will be discussing the matter and answering our questions.

The second presentation will be from Ms. Gael Silverblatt, Chair of the Lake Worth Tree Board. She will be providing a presentation called "Natural Neighborhoods" discussing native plants and trees and the function of the Tree Board.

Day of Play

The City has designated October 6th as the "Day of Play" in Lake Worth. This event encourages use of our recreational facilities and activity in our community. Bring your friends and family as College Park teams up with the Sunset Ridge neighborhood and Families First (www.familiesfirstpbc.org) for an afternoon of fun and exercise at Sunset Ridge Park (between 14th and 15th Ave west of D St) from 1 – 4 pm.

Halloween Block Party

This year College Park will be having a Halloween themed Block Party on October 28th on Harbor Drive. The time will be from 2pm until 5pm and will include food, drinks and Halloween treats for everyone. Prizes will be awarded for the best children's costumes.

Web-Site

Don't forget about the College Park Homeowner's Association website, at www.collegeparklakeworth.com. In combination with the *CP_Neighbors* email list, we hope to increase our ability to distribute information to the residents. See the back page for more details.

Sincerely,
Brent Whitfield
