January 2007

PRESIDENT'S CORNER

Well 2006 is over, and it was a great year for the College Park neighborhood. We competed in the city raft-race, had a successful home-tour, partied at the pub crawl and block party and also helped out the marathon runners with our wacky water station. None of which could have been possible without last year's officers Cathy Casella (P), Brent Whitfield (VP), Amy Kabcenell (Sec) and Barbara Miller (Treas). At the December meeting we elected a new slate of officers who are listed below:

- | | |
|------------------|----------------|
| •Brent Whitfield | President |
| •Cathy Casella | Vice-President |
| •Joseph Cortes | Secretary |
| •Barbara Miller | Treasurer |
| •Amy Kabcenell | Board Member |
| •Kevin Marnell | Board Member |
| •Marilu Machin | Board Member |

We expect 2007 to be another great year for College Park and we are heading into this coming term with a fresh format. This year the general meetings will be quarterly, starting on Thursday, March 1st from 6 until 8pm. The March 1st meeting will be held at the Clubhouse of the City Golf Course (at the eastern end of 7th Ave N) and will also be a candidates forum for the upcoming city elections. As we all know, the City of Lake Worth and the College Park neighborhood face many challenges. The upcoming ballot will decide three of the five council seats including the Mayoral position. The candidates forum is our opportunity to ask questions and express our opinions to the future leaders of Lake Worth.

The College Park Neighborhood Association has been many things to many people. In the past it has provided an opportunity for residents to voice concerns to neighbors and City leaders. It has also been a forum for officers from our police force to update us on the concerns of our city. The association has allowed us to participate in our City while helping build the character of our neighborhood, and it has provided a place to meet and socialize with each other. I speak for the new board when I say that our commitment is to maintain and build on all these qualities, and we hope that you will come in join us in making 2007 one of the best yet.

Sincerely,
Brent Whitfield

March Meeting will be on Thursday, March 1st
From 6 to 8 pm @ The Lake Worth Golf Course Clubhouse

Thanks to Jeff Clemens for hosting
the December meeting!

October Meeting Notes

•C.P.S. Joel Morganstern spoke to the attendees re concerns about crime and scam artists. In the last several months residents have reported door-to-door salesman who pose as residents of the neighborhood to gain the trust of prospective buyers. In at least one case in College Park, the “salesmen” were being brought into our neighborhood from Ft Lauderdale in a large group in order to take advantage of our generous spirit. If salesmen that you don’t know appear at your door feel free to notify the police, who will investigate if they are official and have the necessary permits.

•There were several burglaries (5), robberies (5) and 1 armed robbery reported in our area from August 1st through September 15th.

•Both Joel & Sgt. Collier urged that if anyone sees ANYTHING suspicious, or if you experience any incident at all, that you call the non-emergency # at 561.586.1611.
