## *PRESIDENT'S CORNER*

### *Upcoming Meeting*

We have a very busy June meeting at 7pm on Monday the 28<sup>th</sup>. We will be meeting at the First Congregational Church at 1415 North K Street (our neighborhood's polling location).

This month's meeting will include the following agenda:

1. General Announcements
2. PBSO Crime Report
3. PBSO Presentation on Haitian Relief Efforts
4. Wayne Bergman (Building Services) and Joe Kroll (Public Services) addressing city ordinances
5. Mary Brandenburg (Our State Representative)

One of the specific topics that addressed will be street parking issues within the neighborhood and on cul-de-sacs and dead end streets.

### *Spillway Park*

New College Park Resident Mary Lindsey has worked tirelessly on an "America's Next Top Neighborhood" grant for improvements to Spillway Park. This month we were awarded the grant for \$2,500 in matching funds to add a walking trail, park benches, picnic tables and other amenities. These improvements are intended to increase resident activity and police presence while decreasing deviant activities and loitering. To properly address resident concerns, we are organizing a special general meeting for July focused on the Park, the planned improvements, and any issues that residents may have. Stay tuned to the email list for more information.

### *Decorative Neighborhood Signage*

All the neighborhood associations in the City are currently working with City Staff to design and procure neighborhood specific banners to hang from light posts on Dixie Hwy and Federal Hwy. Other decorative and historic neighborhood signage is also in discussion. Public Services Director Joe Kroll will be presenting the proposed parameters of the signage to the City Commission in an upcoming meeting. Stay in tune to the email list for further updates and notification.

*Sincerely,*  
*Brent Whitfield*

The June Meeting will be on
